The meeting was called to order at 7:09 PM by Lisa Kusumpa, Westgate PTA President

Role Call and Attendance

Ten (10) members present, including all executive committee members, one (1) teacher and the Principal and Assistant Principal

Principal's Report - Dr. Carter

- Parent-Teacher Conferences went very well. The feedback has been very positive with parents liking the earlier time frame to receive a snapshot of their child's progress. This is the plan for next year as well.
- Practice lockdown drill today (10/23) with AHPD. It went smoothly. Telling teachers to run, hide, fight - teachers to make the best decision for their classrooms dependent on particular situation.
- Halloween - Emoji theme for the staff. Don't forget to fill out google forms re: going home for lunch or not and another reminder will be sent this week.
- Wish Tree Night is tomorrow night 6:30-8pm (10/24) to coincide with our One Book, One Westgate initiative.
- First Student Led assembly will be tomorrow (10/24) - Focusing on their Overall WIG (Wildly Important Goal). Each grade level tackles each month's assembly. There will be video of the assembly that will be on the Westgate Website.
- COGAT testing taking place this month - 5th, 3rd graders & 4th graders that are new or didn't take it last year.
- Walk to School Day - Very positive feedback and it was really well organized. Received compliments from the district that they felt it ran like a well-oiled machine. Next year forms will be collected from CAP as well so that all students are ensured to be able to participate.

Teacher's Report - Karen Wenzel

- Parent-Teacher Conferences: Teachers felt that they had a very good grasp on where their students were at grade-wise even though they didn't have "grades" to talk about because they had so much information from their assessments. If there is any feedback about conferences or items that parents wish to discuss further, please reach out to administration.

Teacher's Report - Karen Wenzel (Continued)
